

**THE LEGISLATIVE
COALITION FOR PEOPLE
WITH DISABILITIES**

“CITIZENS WORKING TOGETHER TO IMPROVE PUBLIC POLICY”

Department of Human Services				
Division of Services for People with Disabilities				
Bill Title / Sponsor	Highlights	Position	Status	
HB 109 Services for People with Disabilities Amendments — Rep. R. Ward	Removes the requirement that the Division of Services for People with Disabilities spend 15% of money appropriated by the Legislature for services for people with disabilities.	Follow	Failed-Interim Study	
HJR 7 Joint Resolution Granting Legislative Approval for the Sale of Utah State Developmental Center Land — Rep. M. Kennedy	Joint resolution of the Legislature authorizes the Utah State Developmental Center Board to approve the sale of land associated with the Utah State Developmental Center (USDC) for the purpose of building an east-west connector road.	Support	Passed	
SB 83 Sub 2 State Real Property Amendments — Sen. M. Dayton	Requires a municipality to provide notice of a proposed municipal boundary change that affects state-owned real property; requires the Utah State Developmental Center Board to provide an opinion of a proposed municipal boundary change that affects state-owned real property affiliated with the Utah State Developmental Center; directs the director of the Division of Facilities and Construction Management to protest a municipal boundary adjustment, under specified circumstances.	Follow	Passed	
SB 228 Sub 1 Developmental Center Modifications — Sen. D.G. Buxton	Creates a special revenue fund, subject to appropriation for the money received from the sale or lease of land, water rights, or water shares associated with the developmental center; ► repeals the expendable special revenue fund for developmental center land; and ► establishes terms and management procedures for the newly created special revenue fund.	Support	Passed	
SJR 8 Joint Resolution Granting Legislative Approval for the Sale or Long-term Lease if Utah State	Resolution authorizes the Utah State Developmental Center's governing board to approve the sale or long-term lease of 143 acres of land and water rights.	Support	Passed	

Developmental Center Land and Water Rights — Sen. D. Hemmert			
Appropriations HB 2, HB 3	<p>Best Buddies – Utah School Inclusion Project \$50,000 ongoing Disabilities Direct Care Staff Salary Increase – Phase IV \$1,500,000 ongoing Disabilities Transportation Funding \$350,000 ongoing Disability Services Additional Needs and Youth Aging Out \$7,160,900 ongoing, one-time reduction \$77,000 Disability Services Waiting List \$2,000,000 ongoing Utah State Developmental Center Water System Improvements \$2,700,000 one-time Utah State Developmental Center Long-Term Sustainability from the Utah State Developmental Center Land Fund \$519,300 one-time (implementation of SB 228)</p>		
Intent Language HB 2	<p>The Legislature intends that the full \$350,000 ongoing General Fund allocated for "Disabilities Transportation Funding" in House Bill 2, Item 62, 2018 General Session, shall be used exclusively for the Motor Transportation Payment code within the Division of Services for People with Disabilities.</p> <p>The Legislature intends that the Department of Human Services, in conjunction with the Department of Workforce Services and the Utah State Board of Education, develop a comprehensive plan to ensure the effective transition of students with disabilities from public education to appropriate non-segregated employment and to provide the plan to the Office of the Legislative Fiscal Analyst no later than October 1, 2018. The Legislature intends that this effort should be collaborative across agencies and each agency shall delegate appropriate resources and staff to satisfy this request. The Division of Services for People with Disabilities shall act as the lead agency. The plan shall include: (1) identification of the current status and effectiveness of transition services for students with disabilities in public education as they transition to employment; (2) identification of all known barriers to access for needed transition and employment services; (3) identification of services needed to provide employment appropriate for individuals with disabilities based upon their unique abilities and needs; (4) identification of needs to ensure that the demand for those services can be met by private contract providers and state agencies; (5) a description of how to maximize state and federal funds and other funding sources that may be available to help implement the plan; (6) a report on the number of individuals with disabilities both currently enrolled in public education and those who have already transitioned from public education and their currently projected employment or their current employment status; (7) a report on the various types of needed transition and employment services, including an estimate of the number of individuals with disabilities who need appropriate employment and support services but are not currently receiving them; (8) an estimate of the number of people who would become eligible for transition from public education to employment each year for the next ten years; (9) a proposal for ways to target available funds to maximize appropriate transition and employment services; (10) any limitations that need to be considered, such as federal requirements; (11) steps that could be taken to make sure that individuals with disabilities are considered on an individual basis in accordance with federal and state disabilities policies; (12) a schedule of needed funding; (13) a discussion of innovative and creative ways that private partners and charities could work with the program to meet those needs; and (14) any other considerations needed to work towards the goal that by FY 2021 all individuals with disabilities transition from public education to employment in an appropriate job in an integrated setting.</p> <p>The Legislature intends that the Department of Human Services, in conjunction with the Departments of Health and Workforce Services as needed, study and report on effective management strategies for the Division of</p>		

	<p>Services for People with Disabilities (DSPD) waiting list. The result of the study shall be reported to the Office of the Legislative Fiscal Analyst no later than October 1, 2018. The report shall include: (1) identification of barriers to access for needed services; (2) identification of needs to better understand the demand for those services and how the need can be met by private contract providers and state agencies; (3) a description of how to maximize federal matching funds and other funding sources that may be available; (4) a report on the number of people needing various types of services including an estimate of the number of people who need services but are not currently on the waiting list; (5) an estimate of the number of people who would become eligible to be on the waiting list each year for the next ten years; (6) a proposal for ways to target available funds to the most beneficial services and how providing limited benefits to some people could allow more people to be served; (7) limitations that need to be considered, such as federal requirements, noting areas where waiver authority could be reasonably requested and granted; (8) steps that could be taken to make sure that only those who truly need government support are determined to be eligible; (9) a projection of costs associated with providing services to individuals identified in the study; (10) a discussion of innovative and creative ways that private partners and charities could work with the program to meet those needs; and (11) any other considerations related to effective management strategies for the DSPD waiting list.</p> <p>The Legislature intends that the Division of Finance transfer any unencumbered balances remaining in the Utah State Developmental Center Land Fund to the Utah State Developmental Center Long-Term Sustainability Fund at the close of Fiscal Year 2018.</p>		
Division of Substance Abuse and Mental Health
